No. 648/29

OFFICE OF THE PRESIDENT TALUK BOARD,

Dated 11.9.1929.

DISTRICT BOARD OF BELLARY

M. R. Ry. S. Kesavan Nair Garu,

President, Taluk Board, Harpanahalli.

OFFICE OF THE SECRETARY TO GOVT. LOCAL SELF GOVT. DEPT.
22 NOV 1929

THE Secretary to Government,

Local Self Government Department,

Madras.

Through,

The President, District Board,

BELLARY.

Sir,

I have the honour to submit that there is an alopathic Local Fund Dispensary at Hadagalli, which is a taluk head quarter station, under this taluk board. Mr.S.M. Badsha Sahib, the Sub assistant Surgeon attached to it was granted leave for three months from date of relief, by the Surgeon General with the Government of Madras in his No.1153-E-dated 27-4-28. As there was some delay to obtain a substitute and as the Sub assistant Surgeon's relief was urgent, the District Medical Officer Bellary issued order in his No.252/28 dated 16-5-28 to the Medical Practitioner of the Rural dispensary at Hirehadagalli to close his dispensary temporarily and to proceed to Hadagalli forthwith to receive charge from Mr.Badsha sahib pending arrival of a substitute posted by the Surgeon General with the Government of Madras. Accordingly, Mr. Subba Rao, Medical Practitioner, Rural dispensary Hirehadagalli, proceeded to Hadagalli and took charge of the Dispensary on 17-5-28 and relieved the Sub assistant Surgeon. The Medical Practitioner was consequently in charge of the dispensary at Hadagalli till he was relieved on 4-6-28 by Mr. Kesavan Nair, the Sub assistant Surgeon posted by the Surgeon General with the Government of Madras. This arrangement was approved by me in this office Ref.C.R.242/ 27-5-28 as it was done in good faith and in the interest of public service. Under the foregoing circumstances, the medical Practi-

Practitioner was paid Travelling allowance of Rs.3-12-0 @ 0-1-3-0 a mile from Hirehadagalli to Hadagalli and back, as the journey was performed for a bonafide public purpose. The District Inspector of Local fund accounts has taken objection in his audit capacity to the expenditure of this sum for want of an authority (Vide copy of para 11 (a) of the Audit report on the General account of this Taluk Board for 1928-29 enclosed). The expenditure may kindly be sanctioned.

2. In paragraph 11 (b) of the same Audit report (Vide copy submitted herewith) it is suggested that the point should be x settled whether the pay of the Medical Practitioner for the period during which he was put in charge of the regular dispensary is debitable to Local funds or provincial funds to admit the payment made already from the Local funds. Early orders are solicited.

I have the honour to be,

Sir,

Your most obedient servant,

K. Sanjeevappa 11-9-29

President.

Extract para 11 of the Audit Report on the General account of the Harpanahalli Taluk Board for 1928-29.

Para 11.

(a) Travelling allowance of rural medical practitioner paid from taluk board funds:- Mr. R.Subba Rao the Medical Practitioner at Hirehadagalli was in charge of Hadagalli regular dispensary from the 17th May 1928 to the 4-6-28, according to the orders of the District Medical officer and the Travelling allowance of Rs.3-12-0 for his journey was paid from Taluk Board funds in Voucher No,120/ August 1928. The authority for the payment was not produced.

(b) Again it is not clear whether the subsidy of Rs.50/- permensem paid to the practitioner during this period from Local funds was in order, as the pay of the post of the Sub assistant Surgeon at Hadagalli dispensary is wholly met from Provincial funds, the place being the head quarters of a taluk. If this is inadmissible the difference of subsidy at Rs.50/- permensem paid from Local funds and the grant of Rs.33-5-4 permensem received from Government during this period would require recovery from Provincial funds.

Mr.S.M.Badsha Sahib, Sub Assistant Surgeon, Hadagalli has been granted 3 months leave with effect from date of relief. The posting of M.R.Ry.A.V.Suryanarayana Naidu, Sub Assistant Surgeon, in his place has since been cancelled by the Surgeon-General with the Government of Madras and another substitute for the relief of the Sub Assistant Surgeon is promised. As it will be some time to obtain a substitute and as the Sub Asst. Surgeon's relief is urgent, I propose for your approval the deputation of the Medical Practitioner, HireHadagalli to take charge of the Dispensary until the arrival of a Sub Assistant Surgeon posted by the Surgeon-General. Kindly let me know by wire if you have any objection to the proposal.

forwarded to the Secretary to the Government of Madras, Local Self Government Department, Madras for favour of obtaining the necessary Sanction of the Government in the matter.

2) In the circumstances, stated by the District Medical Officer, Bellary, to show that relief of the Subassistant Surgeon at Hadgalli was considered necessary and that the opening of an adjacent Rural medical Practitioner was found cheaper than the maintenance of the regular dispensary, the total cost of the Subsidy paid to him by the Taluk Board for the period he was working at the Hadgalli dispensary may therefore be met with from the provincial funds. as pointed out in the Examiner's Audit report.
